By G.O.Ms.No.2078 Education dated 28-12-55, the Government approved our proposals for the award of prizes for the best books in Kannada for the year 1954-55. We observe that copies of this G.O., were also endorsed to the Director of Public Instruction, Accountant General, Madras through Finance and Sri A.Kalyanaraman, Accountant General, Madras.

We presented our bill for Rs 1,500/- duly countersigned by the District Educational Officer, Madras , with the following documents, at the office of the Accountant General, Madras and have obtained a token No.161 on 2nd February 1956.

(1) Stamped receipts from the respective authors
(2) A copy of the above G.O.

Since then, we have been sending our man once in every two days to the A.G's office to receive the cheque. But so far we have not been favoured with the cheque. The official at the counter informs our man that they have not so far received the copy of the G.O.from you. Will you

P T.O.

please look into the matter and arrange to send a copy of the above G.O., to the Accountant General, if not already sent?

You will appreciate that we, being only the agency through whom the prizes are awarded by the Government, should not be put to into much difficulties in obtaining the amount from the Accountant General and as we are doing the work on behalf of the Government we feel that we deserve all co-operation from the officials concerned.

We have obtained stamped receipts from the authors long back and they are reminding us for the amount.

Hoping that this would receive your immediate attention,

Yours faithfully,

Hon. Secretary.

Sir,

SUB:- ENDOWMENTS -- Charitable - Certain endowments tenable in Government Arts College, Mangalore and Government Training College, Mangalore - Amendments to the Schemes - Proposals.

I submit herewith an annexure showing the details of 19 endowment Funds previously tenable in the Government College, Mangalore. Of these 19 endowments, items 1, 3, 7, 8, 9, 10, 11, 13, 14 and 15 are tenable in the Arts College. Items 16 to 19 are tenable in the Secondary and Training Department of the College. In the year 1950, the Government Training College, Mangalore, was opened. Consequently, the name of the Government College, Mangalore, was modified as Government Arts College, Mangalore. Further, the training department of the Arts College was attached to the Government Training College, Mangalore. The Principal, Government Arts College, Mangalore, has reported that the absence of due change in the nomenclature of (1) Government College, Mangalore, as "Government Arts College, Mangalore" and that of the "Secondary Training Department" of the College as "Secondary Training Department, Government Training College, Mangalore" in the securities relating to the prize endowment Funds tenable in the Colleges, the interest due on the prize Funds could not be drawn since 1949 and that the Reserve Bank has also not accepted the securities relating to these funds for safe custody.

Under the above circumstances, I request Government to approve the changes noted in column 7 of the statement in respect of the above endowments.

The formal applications for amending these schemes received from the Principal, Government Arts College, Mangalore, are submitted herewith. Separate applications in respect of items 18 and 19 in the statement have not been received from the Principal The securities of these 2 endowments are in the shape of 'Fixed Deposits Receipts' of the South Kanara Central Co-operative Bank, Mangalore, and they have already transferred to the Principal, Government Training College, Mangalore, by the Principal, Government Arts College, Mangalore, as these endowments are tenable in the secondary training department. However, the Principal, Government Arts College, is being asked to submit separate formal applications for amending these endowments also. They will be submitted immediately on their receipt.

I request early orders of Government.

Proceedings of the GENERAL MEETING held on 19-12-54 under the Presidentship of Sri H.Subbanna Shetty, Headmaster, Bd.Hr. Ele.school, Brahmavar

Resolution No.1. This general body meeting deplores the action of the Govt.of Madras in turning down the very moderate and reasonable demands presented by the S.I.T.U. executive recently in regard to the scales of pay and other service conditions of different catagories. Hence this Union would urge on the Govt.to appreciate the facts that these demands represent the least - that the Government should conceed in order to create the atmosphere so necessary for the proper functioning of our schools.

Resolution No.2. Resolved that in view of the fact that a teacher can save little and has no means of livelihood after retirement this union urges on the Government to fix the normal age of retirement for teachers under all managements at 60 years.

Resolution No.3. Resolved to request the Government that the secular state must take over atleast all the Elementary schools under its direct control thus effecting all the disputes and discrepancies existing today and thereby affording better lot and standard to the teachers and the taught reppectively.

Resolution No.4. resolved to remind the Government to treat the Secondary Grade T.T.C.teachers working in Ele. schools on a par with those working in Sec. schools in view of the same qualifications and even more work turned out by them.

Resolution No.5. Resolved to request the Govt. to provide for a separate cadre for the Headmasters of Higher Ele.schools regarding their pay increments and special allowances in view of their responsibilities and clerical work as Headmasters of the Higher Ele.schools with all their responsibilities of headmasters of Middle Schools.

Resolution No.6 Resolved to request the Government to provide for allowances to all the Headmasters of lower Ele.schools based on the number of pupils and teachers to compensate the increase in their work.

Resolution No.7. Resolved to bring to the notice of the Government more verbal sympathy towards Elementary school teachers in expressed by almost all the leaders on public platforms but, the condition of Elementary School teachers still continues to remain as pitiable and deplorable as before. Hence it is urgentl urged that the Government be pleased to take necessary steps for improving their pitiable conditions before giving effect to any other new scheme relating to Elementary Education.

Resolution No.[illegible]: Resolved to request the Government to extend a full concession to pupils of teachers in High School classes and College classes also

Resolution No.[illegible]: Resolved to request the Government to allow sufficient representation by the Elementary School teachers in the Text Book Committee to be constituted by the Government and also to grant a separate electoral constituency for the Elementary School teachers in the Local Boards as well as in the Provincial Councils.

perused. In view of the prevailing financial stringency and ~~the high cost of labour and material~~ the present policy of Govt the need for economy in all directions Govt have imposed a ban on the construction of compound walls in GO Ms No 1025 PWD 24.4.1939. This ban has subsequently

not extended to wire fencing, improved existing Compound walls and re-construction collapsed Compound walls in G.N. 32 Prd. 15.8.1940. These restrictions relaxed only in the case of jails prevent escape of prisoners and in the case of women institutions to provide privacy and protection. The reasons on which para 2 of the Director's letter is based are common reasons of the advanced by the Civil Engineering Department in supporting Compound walls for hospitals in the case of this Government.
